

The Gorman-Rupp Company

OTS Submersible Pumps

Off-the-Shelf submersible pumps available through Gorman-Rupp's OTS

program can be used for flood waters, sumps and pits where water must be lifted more than 20 feet, or where engines are not suitable. For construction, agricultural, municipal and industrial applications.

Please visit our **OTS Pumps** site for more information and other products offered by Gorman-Rupp in its OTS program. These pumps are available for quick shipment, often within 24 hours.
