

The Gorman-Rupp Company

### OTS Self-Priming Pumps

Gorman-Rupp offers a wide selection of small to medium sized self-priming pumps in its Off-the-Shelf program. These pumps can be used in a long list of applications, including gasoline, diesel, solvents, water transfer and spraying, agriculture, sprinkler booster, chemical processing, and a host of industrial and construction situations.

Please visit our **OTS Pumps** site for more information and other products offered by Gorman-Rupp in its OTS program. These pumps are available for quick shipment, often within 24 hours.
