

The Gorman-Rupp Company

7 x 10 Above Ground Lift Stations

Gorman-Rupp's 7' x 10' Above-Ground Lift Station is a complete packaged system, ready for immediate installation and hookup to power and piping. The low-silhouette and forest green color of the Quonset-type fiberglass enclosure blends in with surrounding shrubbery and landscaping. The fiberglass enclosure resists corrosion, mildew, fungus and mold. The two-way sliding cover provides easy access to all equipment for maintenance and service. The door is made with vandal-resistant hardware for added security. The 7' x 10' stations include two T Series or Super T Series pumps. Flows shown are for single pump operation.

Specifications

Size:	3" (75 mm), 4" (100 mm), 6" (150 mm), 8" (200 mm)
Max Capacity:	2,100 GPM (133 lps)
Max Solids:	3" (76 mm)
Max Temperature:	160 F (71 C)
Motor - Voltage:	200 V 3P, 230 V 1P, 230 V 3P, 460 V 3P
Motor - Cycles:	60 Hz
Horsepower:	2 HP - 50 HP

Features

Single Source Responsibility

Gorman-Rupp designs, engineers and manufactures the entire pumping system to ensure that the system meets your requirements and performs reliably year after year. If there is a problem with the system you only have to make one call. Gorman-Rupp is responsible for the entire system, from pumps and controls to the lights and fans in our enclosures.

Super T Series Pumps

Gorman-Rupp self-priming centrifugal solids-handling Super T Series pumps are specifically designed for sewage and industrial wastewater handling applications. The heavy-duty construction and easy-to-service design have made Gorman-Rupp T Series pumps the standard of the industry.

Controls

The Gorman-Rupp team of electrical, mechanical and hydraulic engineers work closely throughout the development of each pumping system to ensure that the entire hydro-electrical system works in harmony to meet your system requirements – accurately and reliably. All Gorman-Rupp controls are manufactured of the highest quality components and are available U.L. and C.S.A. listed (not standard).

Specifications are subject to change. Please contact your Gorman-Rupp Distributor for more details.
